## SEMINAR on

# INFRASTRUCTURE PROJECTS in QATAR

### I Effect

This seminar will be held based on “the Joint Statement on Strengthening of comprehensive partnership for the stability and prosperity between Japan and the State of Qatar” which was announced at the time of Prime Minister Abe’ s visit to the State of Qatar, in which Japanese side expressed the will to have the 3rd seminar in Doha on infrastructure projects in Qatar, and the Qatari side appreciated the start of the discussion. We, Japanese side are very honored that H.E. Mr. Abdullah Bin Hamad Al-Attiyah, President of the Administrative Control and Transparency Authority welcomed our initiative and agreed to co-chair the seminar. We hope that Qatar and Japan will develop our cooperative relations in the field of infrastructure such as stadiums and railways through this seminar.
