## **Holding of the 2015 Conference on Airport Facility Maintenance by Regional Blocs**

There is growing concern that Japan's stock of social capital will deteriorate at a rapid pace in the future, and its maintenance and replacement are the important issues not only for the government, but for the whole nation, including the local authorities.

In order to ensure the steady implementation of renovation management at regional airports, Civil Aviation Bureau of MLIT will establish and hold the Conference on Airport Facility Maintenance by Regional Blocs as mentioned below, with the goal of enhancing the collaboration and support between the government and local authorities in solving the maintenance issues by sharing facility inspection data with each other.

### Details of the Conference

1. Date : September 7, 2015 (Mon.) 14:00PM-18:00PM  
September 8, 2015 (Tues.) 10:00AM-12:00PM  
(Mainly a visit to Haneda Airport is scheduled on the 8th)
2. Venue : Conference Room-A at Haneda Airport Office, Tokyo Civil Aviation Bureau,  
(Located at 3-3-1 Haneda Airport, Ota-ku, Tokyo)
