Airport Safety and Aviation Security Division

Aviation Safety and Security Department

Civil Aviation Bureau, MLIT

Holding of the 8th Committee Meeting on the Maintenance of Airport Facilities

~Reports on Actions taken on Airport Facilities Maintenance/Replacement Programs, and
Discussions on Airfield Pavement Surface Evaluation and Degradation Prediction~

This is to inform you that the 8th Committee Meeting on the Maintenance of Airport Facilities will be held on March 4, 2016 in order to discuss how to effectively maintain such facilities.

At the meeting, the committee members will make a summarized report on actions taken, and have discussions about airfield pavement surface evaluation and **deterioration** prediction.

In December 2012, Civil Aviation Bureau (JCAB), Ministry of Land, Infrastructure, Transport and Tourism (MLIT) has established the said Committee to start discussions on how to maintain airport facilities effectively and defined its programs in March 2014. From that point, JCAB has been working steadily toward the optimal facilities maintenance.

The details of the meeting are as follows;

• Date and Venue

- Date: March 4, 2016 (Friday) 14:00–16:00PM
- Venue: Ministry of Economy, Trade and Industry, Annex Room# 850

• Items on the Agenda

- Presentation on actions taken for the airport facilities maintenance programs
- Presentation on the enhancement of 1) partnership between JCAB and regional airport operators, and 2) the support provided by JCAB to such operators
- Discussion about airfield pavement surface evaluation and degradation prediction

• General Information

- The meeting handouts and minutes will be posted on the MLIT website at a later date.
