

VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Domestic / ~~Import~~ Vehicles

CAMPAIGN No.	4348	DATE	Oct. 15. 2018
MANUFACTURER	NIPPON FRUEHAUF COMPANY LIMITED		
DESCRIPTION OF DEFECT	<p>In the semi-trailer equipped with the automatic axle lifting device, because Instruction from the design department to the manufacturing department is inappropriate, the air pressure reducing valve to be supplied to the axle lift bellows is not installed. Therefore, an air pressure exceeding the design value is supplied to the axle lift bellows, an overload is applied to the axle lift bellows bracket weld, the weld is broken, and the axle automatic lifting device may not operate. Also, in the worst case, the broken axle lift bellows bracket may interfere with the air tank for braking, there is a possibility of damaging.</p>
