

VEHICLE SAFETY RECALL CAMPAIGN IN JAPAN

Domestic Vehicles

CAMPAIGN No.	4529	DATE	July 1, 2019
MANUFACTURER	SUZUKI MOTOR CORPORATION		
DESCRIPTION OF DEFECT	<p>Because not-appointed inspectors (assistant inspectors) performed the pass/fail judgments at the final vehicle inspection process in the vehicle assembly plants, the pass/fail judgments result might have been inaccurate.</p> <p>Therefore, inspections related to the Japanese safety standard applied to road transport vehicles might have been conducted inappropriately.</p>
