## Gourmet Paradise Shonai

By Public Transport

Dining

The Shonai Plain is a fertile field known as one of the domestic major rice production areas and has various popular indigenous vegetables. You can enjoy rich food cultures there; Tsuruoka City was designated a UNESCO City of Gastronomy in 2014, and Sakata City has many French restaurants which use local crops and fresh-caught local seafood, and this cuisine, called Sakata-French, goes surprisingly well with sake.

## Kamo Aquarium

By Public Transport

Main Attractions

The Kamo Aquarium is recognized in the Guinness World Record Book as an exhibition with more than 50 kinds of jellyfish. The highlight of this aquarium is one of the world's largest jellyfish tanks, which has a diameter of 5 meters. The water space where various colorful types of jellyfish swim around looks fascinating. You can also enjoy the beautiful taste of healthy jellyfish with a lot of collagen throughout the year, including dishes and desserts using globally rare jellyfish as an ingredient.

## Mogami River Cruise

By Public Transport

Main Attractions

The Mogami River is the mother river running through Yamagata Prefecture. The river tour takes about 1 hour starting from Tozawa village, which used to flourish as the hub of water transportation on the Mogami River, to the Mogami River Port. You can enjoy the view of Mogami Gorge in all four seasons, with shiny fresh leaves and red leaves reflecting in the water's surface, while listening to the cheerful songs of the boatmen.

## Ginzan Hot Springs

By Public Transport

Main Attractions

Ginzan hot spring is the setting of the TV drama "Oshin." This area is surrounded by mountains with rows of multi-storey wooden traditional Japanese inns built between the end of the Taisho and early Showa Eras along both sides of the Ginzan River running in the middle of the hot spring resort. The scenery takes you back to ancient times and is never boring. You can also rent kimono and hakama, traditional Japanese clothing from the Taisho Era, and have your photo taken.

Location/View	Ginzan, Obanazawa City, Yamagata		
Access	Travel by tour: 2 hours 30 min. via car from berth (94km) Individual travel: 2 hours 30 min via car from port (94km)		
Season	Year-round	Parking for tour buses	5-6 buses

## Dewa Sanzan

By Public Transport

Topics

The Three Mountains of Dewa (Dewasanzan) consist of Mt. Haguro, Mt. Gassan and Mt. Yudono. It is said that the mountains represent current life (Haguro), previous life (Gassan) and future life (Yudono), respectively. The Dewasanzan pilgrimage represents a journey of reincarnation, where people enter from Mt. Haguro, dedicate themselves to spiritual practice at Mt. Gassan and undergo a pilgrimage to be reborn at Mt. Yudono. Mt. Haguro's avenue of cedars has a three-star rating in the Michelin Guide.

## Sokushinbutsu

By Public Transport

Topics

Sokushinbutsu is self-mummified Buddhist monks, or living Buddha, who underwent austere mountain asceticism to eliminate body fat and bodily fluids for preventing from rotting and preserve their bodies “forever.” This practice was done to pray for the people’s salvation. Sokushinbutsu embodies those monks’ prayer for people’s “eternal” happiness. Most of the Sokushinbutsu in Japan are enshrined in temples in Yamagata prefecture.
