Nakanoshima Ohashi Bridge

By Foot

Main Attractions

It's the Japan's highest pedestrian walkway bridge of 27m in height and 236m in length. Since this place is surrounded by a romantic atmosphere with Mt. Fuji in the background around sunset time, it has been selected as 'sacred place for lovers'. There is a couple statue of raccoon dogs at the base of the bridge, and a fence called 'Love Fence' there. Putting a padlock to it means vowing to love each other.
