

A List of Designated Subjects

Construction License to Apply For	Designated Subjects
General Civil Engineering	Civil Engineering, including agricultural, mining, forest, soil erosion control, afforestation, containing the subjects pertaining to greenery and gardening (hereinafter referred to as Civil Engineering);
Paving	Subjects pertaining to Urban Engineering, Sanitary Engineering and Transportation Engineering
General Building	Subjects pertaining to Architecture or Urban Engineering
Carpentry	
Glazing	
Interior Finishing	
Plastering	Subjects pertaining to Civil Engineering or Architecture
Scaffolding, Earthwork and Concrete	
Masonry	
Roofing	
Tile, Brick and Block	
Painting	
Electrical Telecommunication	
Plumbing	Subjects pertaining to Civil Engineering, Architecture, Mechanical Engineering, Urban Engineering or Sanitary Engineering
Water Facilities	
Sanitary Facilities	
Steel Structure	Subjects pertaining to Civil Engineering, Architecture or Mechanical Engineering
Reinforcement Steel	

Construction License to Apply For	Designated Subjects
Dredging	Subjects pertaining to Civil Engineering or Mechanical Engineering
Sheet Metal	Subjects pertaining to Architecture or Mechanical Engineering
Waterproofing	Subjects pertaining to Civil Engineering or Architecture
Machine and Equipment Installation	Subjects pertaining to Architecture, Mechanical Engineering or Electrical Engineering
Fire Protection Facilities	
Heat Insulation	Subjects pertaining to Civil Engineering, Architecture, or Mechanical Engineering
Landscaping and Gardening	Subjects pertaining to Civil Engineering, Architecture or Urban Engineering, Forestry
Well Drilling	Subjects pertaining to Civil Engineering, Mining, Mechanical Engineering or Sanitary Engineering
Fittings	Subjects pertaining to Architecture or Mechanical Engineering
