

VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Domestic / Import Vehicle

CAMPAIGN No.	2738	DATE	Apr. 20, 2011
MANUFACTURER	Kobelco Cranes Co., Ltd.		
DESCRIPTION OF DEFECT	<p>In some of the crane units, at the Reduction Gear to transmit the engine power to the Steering Pump, the hydraulic circuit is not appropriately finished on the Cover in the said Reduction Gear, leading to insufficient lubrication in the spline part that connects the Reduction Gear and the Steering Pump. This could possibly result in high resistance in the steering operation as the Steering Pump is not driven properly due to the wearing in the said spline part.</p>
