Special Audits being Conducted at New Chitose Airport and Chubu (Centrair) International Airport due to Floor Plan Opened to the Public on the Internet

Please be informed that the Ministry of Land, Infrastructure, Transport and Tourism (MLIT) dispatched four officials to Hokkaido Airport Terminal Co., Ltd. and Central Japan International Airport Company Ltd. to conduct special audits to examine management conditions of information which are important to security because floor plans of those airports were opened to public through Google Company. Please see below for details.

Outline

- Hokkaido Airport Terminal Co., Ltd. : April 22 (Tuesday) ~ 23 (Wednesday)
 - Central Japan International Airport Company Ltd. : April 24 (Thursday)
- (※Note) The audit at each airport will substantially take one day.
