Ministry of Land, Transport, Infrastructure and Tourism (MLIT) Invites Proposals for the “Local Air Routes Revitalization Program”

In regard to the above-captioned program, the advisory panel had a discussion over the evaluation criteria toward its implementation at the meeting to evaluate the “Local Air Routes Revitalization Program” and “Landing Fee Discount Proposal Scheme to Promote Airport Management Reforms”.

Based on the panel members feedbacks, MLIT developed the application guideline with the evaluation criteria, etc. for the “Local Air Routes Revitalization Program” to invite the public to submit proposals, and is now accepting the entries. For details, please see the attached application guideline for the “Local Air Routes Revitalization Program”.

Outline

- Deadline: Proposals must arrive by June 18, 2014 (Wed.) 06:15pm
- Detailed Timeline
 - June 18 (Wednesday) : Proposals must arrive not later than this date.
 - Beginning ~ mid-July : The advisory panel will conduct evaluations of proposals
 - Mid-July : The routes covered by the scheme will be determined and announced
 - September – : Substantiative research will be conducted for the covered routes
