Civil Aviation Bureau Invites Speakers to

“The 15th Airport Technology Reporting Session”

This is to inform you that Civil Aviation Bureau, Ministry of Land, Infrastructure, Transport and Tourism (MLIT) will hold “The 15th Airport Technology Reporting Session” on Nov. 27–28 (Thurs.–Fri) and is now calling for speakers.

Such reporting sessions are held annually with the objective of establishing integrated airport technologies by bringing together positive results from various fields, such as airfield construction, building and machinery for airports, regardless of technical field in engineering.

◆ Presentation topics

Topic for this year : Disaster Risk Management and Mitigation at Airport
General topic : Airport Technology, Research Achievements, etc.

◆ Guidelines for Application

A speaker shall participate in the session and make a presentation in Japanese on Nov. 27 (Thurs.) and 28 (Fri.) He or she is also responsible for all travel costs to participate in the session.

- Dates : November 27 (Thurs.) 2:00pm~6:00pm (tentative time schedule)
28 (Friday) 10:00am~4:00pm (- ditto -)
- Place : The Shared Conference Room of the Central Government Building No. 3
on the 10th floor

Ministry of Land, Infrastructure, Transport and Tourism (MLIT)
2-1-3 Kasumigaseki, Chiyoda-ku, Tokyo 100-8918

◆ Application Period

Closing Date : September 18 (Thurs.)

(All applicants will be advised the results no later than October 10, 2014)

When applying, please send details, including the presentation topic, the outline of presentation and the name of the speaker to an e-mail address below (free-form).

◆ Presentation Style

A speaker shall make a presentation with PowerPoint slides for 20 minutes on each topic.
