

VEHICLE SAFETY/POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

| | | | |
|-----------------------|---|------|------------------|
| CAMPAIGN No. | GAI-2245 | DATE | October 21, 2015 |
| MANUFACTURER | Volkswagen (Japanese Importer: Volkswagen Group Japan KK) | | |
| DESCRIPTION OF DEFECT | <p>Due to poor manufacturing of fuel pump, plating finish for internal parts would be peeled off and remained as foreign object in the component; which, might be caught in impeller and fuel pump stops working.</p> <p>In the worst case, engine stalls during driving and impossible to restart.</p> | | |
