

Do you have international travel medical insurance?

You will feel safe in emergencies if you have international travel medical insurance. Enjoy your travels without worry.

Although I may not have an illness or injury...

Get international travel medical insurance to cover your medical expenses.

Why?

Get treatment without worry in unexpected situations.

If anything happens, treatment costs can be very expensive.

I cannot speak Japanese...

Plus,

Feel even safer with medical institution referrals, interpretation services, and cash-free treatment.

***If you do not have insurance, you can get it after arriving in Japan.**

Useful guide in case you become ill
Has useful information for emergencies, such as points to remember when visiting a hospital in Japan and a list of hospitals that offer foreign language assistance.
