

**G7 Transport Ministers' Meeting
in Karuizawa, Nagano**

**G7 Transport Ministers' Joint Statement
on Global Market-Based Measure (GMBM)**

Recognizing the urgent need for effective efforts in the field of international aviation, we the G7 Transport Ministers, express our strong support for the adoption of the Global Market-Based Measure (GMBM), as part of the broader basket of measures of the International Civil Aviation Organization (ICAO), in order to enable carbon neutral growth from 2020. We encourage all ICAO states to join us in supporting its adoption at the upcoming General Assembly in Montreal. In recognition of our ambition to tackle climate change, we the G7 Transport Ministers, also express our intention to participate in the GMBM from the beginning of 2021, and strongly encourage other states to do so.
