

## VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Domestic / Import Vehicles

CAMPAIGN No.	Gai-2414	DATE	2016/11/30
MANUFACTURE	Daimler AG (Japanese Importer : Mercedes-Benz Japan Co., Ltd. )		
DESCRIPTION OF DEFECT	Daimler AG, after consultation with the Japanese Ministry of Land, Infrastructure, Transport and Tourism (MLIT), has now decided, as a precautionary measure, to also recall potentially affected models of Mercedes-Benz cars in Japan and replace the inflators in a similar procedure based on a graduated scheme. The models affected by this measure in Japan are various Mercedes-Benz cars equipped with Takata PSPI-2 passenger side airbag inflators. We are not aware of any cases worldwide in which our models demonstrate the fault symptoms described by Takata in relation to Takata airbag inflators.
