

VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Domestic Import Vehicles

CAMPAIGN NO.	4149	DATE	November 30 ,2017
MANUFACTURER		ISUZU MOTORS LIMITED	
DESCRIPTION OF DEFECT		<p>In the automatic transmissions (AT) of the light- and the medium-duty truck, the strengths of some oil hoses are insufficient due to improper manufacturing. Therefore, these hoses cannot withstand oil puresure and might develop cracks, leading to oil leakage and subsequently to transmission failures. In the worst case, there is a possibility that the transmission failures could cause the trucks unable to run.</p>
