

VEHICLE SAFETY/POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIGN No.	Gai-3031	DATE	May 13, 2020
MANUFACTURER	Bentley Motors Limited (Japanese Importer : Volkswagen Group Japan KK)		
DESCRIPTION OF DEFECT	On seat belt upper anchorages of both left and right third row seats, each bolt of these anchorages is not sufficiently secured to the body panel due to insufficient length of bolt shaft. Therefore the anchorage bolts could be detached and occupants on the third row seats may not be properly retained in the event of a crash.
