

VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIGN No.	Gai-3068	DATE	Jul 31 2020
MANUFACTURE	FCA US LLC (Japanese Importer : Fiat Chrysler Automobiles Japan Ltd. )		
DESCRIPTION OF DEFECT	The transmission harness may have insufficient clearance to the catalytic converter. This may result in contact between the transmission harness and the catalytic converter resulting in a no start, DTC, or stall condition and thermal degradation of the wiring harness.
