

VEHICLE SAFETY/POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIGN No.	Gai-3249	DATE	July 15, 2021
MANUFACTURER	Bentley Motors Limited (Japanese Importer : Volkswagen Group Japan KK)		
DESCRIPTION OF DEFECT	For the gasoline engine, cracks could be present in the engine block due to incorrect production process in the supplier. Therefore, engine oil will leak as the cracks deteriorate whilst the vehicle is used, in the worst case, the leaking oil will escape onto an exhaust pipe and the vehicle may catch fire.
