

VEHICLE SAFETY/POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIGN No.	Gai-3262	DATE	August 24, 2021
MANUFACTURER	Bentley Motors Limited (Japanese Importer : Volkswagen Group Japan KK)		
DESCRIPTION OF DEFECT	For rear suspension mechanism, nuts which secure some suspension arms may have cracks while the vehicle is in use due to incorrect material of these nuts. Consequently, fixings of suspension arms will be loose and impair the stabilization of straight ahead driving, in the worst case, it may be difficult to steer.
