

VEHICLE SAFETY/POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIGN No.	GAI-3448	Date	July 14, 2022
MANUFACTURER	Volkswagen (Japanese Importer: Volkswagen Group Japan KK)		
DESCRIPTION OF DEFECT	On Polo vehicles of a limited production period, there is a possibility that the roof spoiler may not have been bonded to the rear lid with the specified process materials due to an error in production. Over time the roof spoiler can partially peel off or in the worst case it may completely detach from the vehicle then become an obstacle for following traffic.
