Import Vehicles

CAMPAIN No.	Gai – 3524	DATE	22 December, 2022
MANUFACTURER	Dr. Ing. h.c. F. Porsche AG (Japanese Importer: Porsche Japan KK)		
DESCRIPTION OF DEFECT	Due to a process error in the production run, it is possible in affected vehicles that the screw connection of the belt end fitting on the driver's seat and the passenger seat may not comply with the specifications. If this is the case, the functionality of the screw connection cannot be ensured in an accident and thus the loosening of the seat belt attachment cannot be ruled out.
