

VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIGN No.	Gai-3604	DATE	April 20, 2023
MANUFACTURE	Bentley Motors Limited (Japanese Importer : Volkswagen Group Japan KK)		
DESCRIPTION OF DEFECT	For the side airbag fitted to the seat back of front seat, it is possible that the rivet mandrel of rivet which secures the side airbag bracket protrudes. Therefore, the effectiveness of the occupant protection may be reduced due to the fact that the side airbag could be torn by contacting with the protruded mandrel when it is deployed.
