

VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIGN No.	Gai-3662	DATE	July 31, 2023
MANUFACTURE	FCA Italy S.p.A. (Japanese Importer :Stellantis Japan Ltd. )		
DESCRIPTION OF DEFECT	On some FIAT 500 vehicles, due to an incorrect calibration of the transmission control module (TCM) software, it may not be possible to shift down from third gear to second gear, resulting in engagement of the Neutral position and the turning on of the fault indicator on the instrument panel.
