

VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIGN No.	Gai-3642	DATE	August 24, 2023
MANUFACTURE	Bentley Motors Limited (Japanese Importer : Volkswagen Group Japan KK)		
DESCRIPTION OF DEFECT	For bracket which retains detachable screen of multimedia system for rear passengers, it is possible that the bracket is incorrectly assembled or a part is missing due to inappropriate assembling instruction. Therefore, the screen is insufficiently retained when installed and the screen could be detached and passengers may be injured in the event of an impact accident.
