

VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIN No.	Gai – 3708	DATE	20 Oct, 2023
MANUFACTURER	Rolls-Royce Motor Cars Limited. (Japanese Importer : BMW Group Japan)		
DESCRIPTION OF DEFECT	<p>These vehicles have been using single-pane safety glass for the instrument panel since SOP and passed all the required ECE and FMVSS testing standards.</p> <p>However, when additional IIHS (Insurance Institute for Highway Safety) side impact crash tests were performed, it highlighted that fragments of glass could break free within the cockpit area causing potential injury to the occupants.</p>
