

VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIGN No.	Gai-4011	DATE	May 30. 2025
MANUFACTURE	Bomag GMBH (Japanese Importer : Kobelco Construction Machinery, SKY)		
DESCRIPTION OF DEFECT	The installation position of the road roller horn was not properly considered, so the volume of the horn was lower than the value required by safety standards. This resulted in the vehicle not complying with safety standards.
