

VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Domestic ~~Import Vehicles~~

CAMPAIGN No.	Gai-4022	DATE	Jun 12, 2025
MANUFACTURE	General Motors Company (Japanese Importer : General Motors Japan Ltd.)		
DESCRIPTION OF DEFECT	General Motors has decided that a defect which relates to motor vehicle safety may exist in certain: 2016 – 2018 model year Cadillac CTS and 2017 – 2018 model year Cadillac ATS and Chevrolet Camaro and Corvette vehicles. These vehicles may experience a loss of electric power steering (EPS) assist while driving. Loss of EPS assist may last an entire ignition cycle, but may return once the vehicle is restarted. Customers may experience this condition during subsequent ignition cycles. If power steering assist is lost, manual steering functionality is retained but would require increased effort, particularly at lower speeds, increasing the risk of a crash.		

TYPE	COMMERCIAL NAME	MODEL YEAR RECALLED	NUMBER OF VEHICLE
