

VEHICLE SAFETY/POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIGN No.	GAI-4139	DATE	February 4, 2026
MANUFACTURER	Audi (Japanese Importer: VOLKSWAGEN Group Japan K.K.)		
DESCRIPTION OF DEFECT	Due to insufficient software robustness of the driver assistance system control unit, this may result into video signal transmission lacks of one or more cameras. Therefore, in certain situations, the display of the surround view camera may temporarily not work, and the image of left side of the vehicle is unable to confirm, which may not comply with safety standards.
