

VEHICLE SAFETY / POLLUTION RECALL CAMPAIGN IN JAPAN

Import Vehicles

CAMPAIGN No.	Gai-4173	DATE	April 16 , 2026
MANUFACTURE	Automobiles CITROEN (Japanese Importer : Stellantis Japan Ltd. )		
DESCRIPTION OF DEFECT	The rear axle on a limited number of vehicles is not according to specification. Vehicles may have been built with the rear axle not properly welded. In some cases, this could lead to crack, resulting in a reduced vehicle controllability through a potential rear axle breakage, in worst case scenario.
