

## VEHICLE SAFETY RECALL CAMPAIGN IN JAPAN

### Domestic Vehicles

CAMPAIGN No.	5795	DATE	Apr. 2. 2026
MANUFACTURER	SUZUKI MOTOR CORPORATION		
DESCRIPTION OF DEFECT	The owner's manual does not comply with the vehicle safety regulation, as the suitability to i-Size Child Restraint System (CRS) for the rear center seat in the CRS installation suitability table is incorrectly indicated as 'YES(Suitable)' instead of 'NO (Not suitable)' even though the i-Size fixtures are not equipped on the center rear seat of the vehicle.
