Fruits Picking

By Public Transport

Dining

You can enjoy a variety of fruits in Sobetsu-cho, where the water is warmed by volcanoes and the land drains well. From strawberries in June to cherries, peaches, plums, grapes, apples, and prunes stretching into early November, seasonal fruits are plentiful here. Enjoy all the fruit you can eat from this bountiful volcanic land as you gaze out over Mt. Usu and Mt. Showa-shinzan.

Lake Toya

By Public Transport

Main Attractions

Located in the Shikotsu-Toya National Park, Lake Toya is a big caldera lake created by volcanic activity about 110 thousand years ago. Lava domes and pyroclastic cones formed Nakajima islands at the center of the Lake. Its beautiful view was selected to be one of the 100 Most Beautiful Scenes of Japan in 2008, when G8 summit was hosted in this area.

Night Scene

By Public Transport

Topics

Hakucho Bridge is illuminated and Mt. Sokuryo is lit up. Lights from the factories and residential areas surround the port. Gorgeous night views made up of these scenes are a beauty you'll only find in port towns replete with factories, streets, mountains, and sea. The night view of Muroran shows a completely different feature from day.
