Japanese Confectionery

By Public Transport

Dining

Kanazawa is famous for Wagashi or Japanese sweets as in Kyoto and Matsue. When Maeda Clan ruled the city, the tea ceremony was promoted and so that Japanese sweets were developed. The appearance of Kanazawa sweets is beautiful. The seasonal specialties that have become a part of people's life were created, and well-known confectionery brand were born. Not just buying them as souvenirs but experiencing Japanese confectionery making has been popular among tourists.

Traditional Arts and craft

By Public Transport

Shopping

When Kanazawa was flourished as a castle town under Maeda Clan, master craftsman from Tokyo and Kyoto were invited to develop original arts and crafts in Kanazawa which were handed down today. Kutani porcelain, lacquerware, gold leaf, kimono dyeing and more can be purchased. In addition, it is interesting to watch the process of making and experience making your original.

Higashi Geisha District

By Public Transport

Main Attractions

This is the largest Geisha district of three that are in Kanazawa. The historical rows of teahouses with stone pavement, lattices, and tiled roofs make the scene photogenic. Some teahouses remain the tradition of "no first-time customers" while some are open to public during the day. Cafes and souvenir shops are in business and the area has become a popular tourist spot recently.

Kanaiwa and Ono Areas

By Foot

Main Attractions

Kanaiwa and Ono Areas prospered as a port town on the route in Kanazawa from the middle of the 18th century to the beginning of the 20th century. Soy sauce manufactures, shrines and temples still remain in these nostalgic areas. Some of the highlights are galleries, cafes, "Kanazawa Port Iki-Iki Fish Market" and "Karakuri Museum." Try "soy sauce flavored ice cream" which became a new local specialty.

Globally Important Agricultural Heritage Systems (GIAHS) Noto's Satoyama and Satoumi

By Public Transport

Main Attractions

Noto's Satoyama, or terrestrial-aquatic ecosystem, represents an indelible landscape of Japan linked closely with the culture of festival rites praying for good harvest of crops and bountiful catch of fish.

Its Satoumi, or marine-coastal ecosystem, offers an abundance of fresh marine products that sustain and enchant local residents throughout the seasons.

The Satoyama and Satoumi of Noto indeed echo the charms of Nanao—its landscape, festivals, and delicious seafood.
