Castella (sponge cake)

By Foot

Dining

Now enjoyed all over Japan as a Nagasaki specialty, Castella cake was brought to Japan by the Portuguese dating back to the mid-16th century. It is made from eggs, starch syrup and other carefully selected ingredients - the secret formula, apart from the proper baking method that brings out the distinct taste loved by people of all ages up to now.

Shippoku Cuisine

By Foot

Dining

Shippoku, which is a compound word from "table" and "table cloth," refers to the banquet of food served in one huge plate and placed on a lacquered round table where everyone can freely pick the dish that they want. It is a local cuisine that is truly Nagasaki where you can enjoy Western, Chinese and Japanese cuisine - all in one table.

Glover Garden

By Foot

Main Attractions

There are a lot of must-see attractions in Glover Garden. One of these is the Glover Residence, formerly owned by Thomas Blake Glover, who contributed to Japan's modernization, and it has been inscribed on the UNESCO's World Heritage List in 2015 as a component of "Sites of Japan's Meiji Industrial Revolution". Other attractions are the nine historical Western-style buildings dotted around the lush landscape and the wonderful overlooking view of the Nagasaki Port from the hills.

Hashima (Gunkanjima)

By Public Transport**Main Attractions**

Gunkanjima used to be the home of undersea coal mining – the industry that supported the modernization of Japan. Blocks of high rise apartments standing in the small island are one of the features of Gunkanjima and are a rare find in the world. The island's name was derived from the exterior of the island that resembles the battleship "Tosa". Inscribed on the UNESCO's World Heritage List in 2015, Gunkanjima welcomes many visitors every year.

Peace Park and Nagasaki Atomic Bomb Museum

By Public Transport**Main Attractions**

Heiwakinenzo (peace statue) is the symbol of peace in Nagasaki Peace Park. The statue's raised right hand points to the sky to symbolize the threat of atomic weapons while the horizontally-raised left arm symbolizes the city's wish for peace. The closed eyes of the statue symbolize prayer for the repose of the atomic bomb victims. In addition, materials displayed in the Nagasaki Atomic Bomb Museum show the threat of atomic weapons and the miseries of war, and at the same time strongly express the value of peace.

Oura Catholic Church

By Foot**Main Attractions**

Formally referred to as the Church of the Twenty-six Martyrs of Japan and designated as a national treasure, the Oura Catholic Church is dedicated to the twenty-six saints who experienced martyrdom in the year 1597. Built through missionaries from France in 1864, this church is the oldest wooden gothic church in Japan. The church interiors are also adorned with stained glass dating back to 100 years. The Church inscribed that UNESCO's Word Cultural Heritage in 2018 as a part of the assets of "Hidden Christian Site in the Nagasaki Regions".

Spectacles Bridge

By Foot

Main Attractions

The bridge was named "Megane Bridge" or "Spectacles Bridge" due to its arches and reflection of the river that forms an image resembling a pair of glasses. It was built in 1634 by MokusuNyojo, a monk and the temple master of Kofukuji, and it is Japan's oldest stone arch bridge to date. "Spectacles Bridge" is designated as one of the important cultural properties of Japan.

Welcome Events

By Foot

Topics

By the time the passenger ship arrives at the port, the passengers receive a warm welcome from the locals through brass band performances and wadaiko (Japanese drum) from students and children and other local performers. In addition, tourists can also witness a dance unique to Nagasaki - the "Ja-odori" (dragon dance).

Nagasaki Kunchi Festival

By Foot

Topics

Nagasaki Kunchi Festival is a shrine festival of the Suwa Shrine held every autumn. The festival shows its pride of having more than 370 years of history and tradition. It is said that the festival was referred to as "Kunchi" (9th day) because it was celebrated every 9th of September in the lunar calendar. However, the celebration is currently held from October 7 to 9 every year and has been designated as an important intangible cultural property of Japan. During the celebration, the city is bustling with dancers and shops.
