

## Kagoshima Kurobuta (Berkshire) Pork

By Public Transport

Dining

Kagoshima Kurobuta (Berkshire pork) is raised in the rich and free natural environment of Kagoshima. The quality of the meat has been highly recognized in Japan as well as overseas for being soft, easy to chew, and having a juicy flavor. It is a fine meat that you can enjoy as tonkatsu (pork cutlet) or as shabu-shabu (thinly sliced pork boiled in water) which will allow you to enjoy the flavor of the meat.

### Sengan-en

By Public Transport

Main Attractions

This garden was created in 1658 by ShimazuMitsuhsisa, from the 19th generation of local lords, and continued to be renovated by his successors thereafter. Its distinct features are the wonderful scenery -created by incorporating the “borrowed scenery” principle using Mt. Sakurajima as the garden mound and Kagoshima Bay as the pond- and the spacious garden. It was designated as a National Site of Scenic Beauty in 1958.

### Natural Steam Sand Bath

By Public Transport

Main Attractions

The Natural Steam Sand Bath, which is treasured even in Japan, is a Japanese-style sauna that utilizes a natural onsen that gushes out of the shore. Lie down on the shore where the water gushes out of the natural onsen, have sand poured on your body, and then take some time and listen to the sound of the waves. After about 10 or 20 minutes, perspiration will flow out from the core of your body due to the heat of the onsen and the pressure of the sand.
