

Home of Sanuki Udon Noodles

By Public Transport

Dining

Kagawa Prefecture is known as Udon Prefecture. You can enjoy going from one udon shop to the next only in this Udon Prefecture. One of the must-visit spots is the local udon shops attached to udon noodle factories. It's wonderful to eat freshly boiled udon noodles in an at-home environment. It's not too much to say that Sakaide is the birthplace of the Sanuki Udon Noodles and you can enjoy each shop's boast of noodles, dashi soup, and toppings such as tempura.

Yasoba's Tokoroten agar crystal noodles

By Public Transport

Dining

You can enjoy famous tokoroten noodles born in the Edo period, in front of "Yasoba's spring water," which is believed to have been running from ancient times. The texture of the slippery and smooth noodles is addictive. You can find your favorite taste among choices like vinegar soy sauce, brown sugar syrup, kinako soy bean powder, and more.

Higashiyama Kaii Setouchi Museum

周遊

見どころ

At the Kagawa Prefectural Higashiyama Kaii Setouchi Museum, you can view both the Great Seto Bridge and about 350 print works of the Great Japanese Painting Master Kaii Higashiyama. His grandfather was from Hitsuisi Island in Sakaide City. This small prefectural art museum is located in the Shami area, overlooking Hitsuisi Island, the birthplace of his grandfather to celebrate the association between Higashiyama and Kagawa prefecture.

Shiromineji Temple

By Public Transport

Main Attractions

Having been banished from the court following his defeat in the Hogen Rebellion in 1156, the 75th Emperor Sutoku died in exile in Sakaide in 1164 at the age of 46. There are many places in the city where you can trace his footsteps around the city, such as the Shiraminegoryo Mausoleum, the only mausoleum in the Shikoku District.

Shamijima Island

By Public Transport

Main Attractions

Shamijima Island was connected by landfill to the mainland of Sakaide after the Bannosu reclamation project in 1967. There is a poem monument related to the manyo poet "Kakinomoto no Hitomaro" as well as old ruins connected to Priest Rigen Daishi, one of the "Great Five Daishi Priests in Sanuki (Kagawa)." In 2013 and 2016, this location became part of the Setouchi Triennale (art festival) and this is a destination where you can feel the art. This is the scenic viewpoint where you can enjoy a breathtaking view of the Seto Ohashi Bridge and the islands on the Seto Inland Sea.

Seto Ohashi Bridge

By Public Transport

Topics

The Seto Ohashi Bridge is two-tiered, combined road bridge and railway bridge which connects the main island of Honshu to Shikoku Island. The bridge opened to traffic in April 1988 and it is the world largest class with 9.4km long over the strait. It connects the islands of Shiwaku Shoto with 6 sections of the bridge. On Sunny days, you can enjoy the picturesque beauty of the nature of the Seto Inland Sea which is resonated by the bridge and you can also enjoy panoramic view of the Bridge which is brightly lit at night on Saturdays and national holidays.
