

Kinmedai (Beryx splendens)

By Foot

Dining

Kinmedai (Beryx splendens), a white-fleshed deep-sea fish, belongs to a different family than madai (Pagrus major), known in English as red sea bream snapper. Kinmedai is a refined treat appreciated for its thick flesh and plumpness, size, ease of eating, and attractive appearance.

Shiokara made with red flying squid

By Foot

Dining

Kozushima makes premium shiokara (fish guts pickled in salt) from red squid, an especially tasty type of squid. The unique preparation method employed eliminates any fishy taste and makes the shiokara easy to enjoy. Available in flavors ranging from mild to strongly salted.

Wheat-based shochu (distilled spirits)

By Foot

Shopping

Kozushima is so rich in water resources that legend has it that the gods of the Izu Islands gathered here to discuss how to share it among themselves. Visitors are invited to try the island's specialty, Moriwaka shochu, made from specially selected wheat and natural water.
