Katte-Don

By Foot

Dining

Katte-don is a seafood rice bowl with various seafood and it can be arranged by each person. Visitors walk around the Washo Ichiba Market and buy whatever seafood you like here and there, and put them on top of the rice. In the market you can enjoy the talks of discounting or extra serving with lively merchants. Get your original and unique katte-don at the market and take in a little of the atmosphere of this northern market too.

Kushiro-Soba

By Foot

Dining

"Kushiro soba" noodles, being represented by the Azumaya noodle restaurant, are unlike regular noodles; they are colored green due to the healthy chlorella algae that have been mixed in. Please enjoy Kushiro soba itself with Kashiwanuki, soba soup with a rich taste and delicacy of a hearty chicken broth. It is a real taste of Kushiro cuisine.

Washolchiba Market

By Foot

Shopping

This is the market where some 60 shops are lined and local residents come to buy fresh seafood being landed on the port, fruit, and even clothing. You can send your purchases to anywhere in Japan, so it is convenient for tourists who want to buy and present Kushiro souvenirs as a way to brighten someone's day. Washo's specialty is its Katte-Don, a seafood rice bowl where you buy rice and then shop around at the market and purchase various seafood you like to put on top little by little, then the unique rice bowl for yourself is ready.
