

Imabari Yakitori(Imabari Style Grilled Chicken)

By Foot

Dining

Imabari Yakitori is cooked in a unique way, known as "teppanyaki". Chicken is pinched and baked between two hot iron plates to keep the juice and flavor. "Grilled chicken skin" is crispy outside and juicy inside, the very popular menu of Imabari Yakitori.

ImabariYakibutaTamagoMeshi (Roast Pork Egg Rice)

By Foot

Dining

Originally, this was cooked as a staff meal of a Chinese restaurant in Imabari. Then some staff set up their own restaurants and served it to their guests 50 years ago. It has spread among male high school students by word of mouth and its popularity is rising rapidly. Each restaurant serves its own uniquely tasting Yakibuta TamagoMeshi.

Sea Bream Dish

By Foot

Dining

Lean, fresh sea bream raised in the stormy currents of the Kurushima Straits is valued as an exceptional gourmet ingredient. The main dishes include "Taimeshi" (sea bream cooked with rice in a pot), "Hamayaki" (grilled salty sea bream), "Horakuyaki" (grilled sea bream served with other seafood), and "Funamori" (sashimi set out on a boat-shaped dish).

Oyamazumi-Jinja Shrine

By Public Transport

Main Attractions

The shrine is sacred to the services of Oyamazumi-no-Okami God, a brother of Amaterasu Omikami Sun Goddess. The God has been worshipped as the protector of the sea and the Japanese tutelary deity since ancient times. The main shrine, the outer shrine and the Hokyo-Intō are designated as important cultural property of Japan. Many important cultural assets including natural treasures are held in the Treasure House (paid entry).
