Misumi West Port

By Foot

Main Attractions

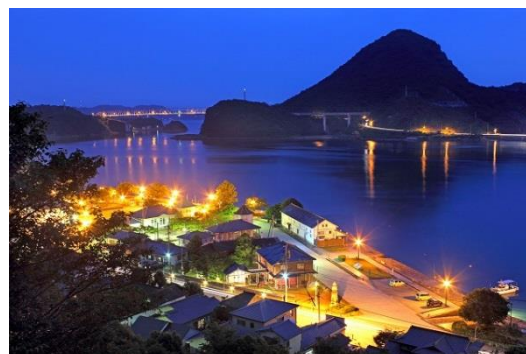

Misumi nishi(west) port that is one of the three biggest ports in Meiji era has opened in 1887. In addition to the masonry quay, facilities remain almost original shape at the time of construction, and the port is the only existing port among the three biggest ports in Meiji era. The port is registered for World Cultural Heritage as 'Sites of Japan' s Meiji Industrial Revolution' in July 2015.
