

Requests to participants of guided package tours to Japan

From June 10, 2022 guided package tours from countries or regions on the "Blue" list have been accepted. Regardless of the vaccination status of the entrants, on-arrival test or isolation upon arrival is not required.

As per the "Guidelines for Accepting Overseas Tourists by Japan Tourism Agency", travel agencies and travel service providers (hereafter land operators) in Japan must have the overseas travel agencies explain the following to tour participants and ensure they accept the terms.

Please read the following prior to your visit. It is important you follow infection prevention measures for the safety of yourself and those around you.

Before departure

- You must have not stayed in or visited a country/region other than those on the "Blue" list in the 14 days before the day of application for landing on Japan. [Check the grouping of the countries/regions.](#)
- To ensure a smooth entry into Japan, you are required to do the following:
 1. Install the [MySOS app](#), answer the questionnaire, and register your Covid-19 Negative Test Certificate for Quarantine Fast Track.
 - * You may select "Will not submit" for your vaccination status on MySOS. If you are entering from a country/region on the "blue" list, isolation upon arrival is not required regardless of your vaccination status.

 2. Register information for immigration and customs and get QR codes on [Visit Japan Web](#).
 - * Visit Japan Web: https://www.digital.go.jp/en/services/visit_japan_web-en/
- Purchase travel insurance that includes adequate coverage for medical expenses related to COVID-19.

During the tour

- Throughout your stay in Japan, please take preventive measures such as (1) wearing masks, (2) sanitizing hands, (3) avoiding the 3 C's: Closed spaces, Crowded places, and Close-contact settings. For more details, please refer to the following pages.

- Please follow the instructions given by the tour conductor.
- Please report COVID-19 symptoms such as a fever, etc to the tour conductor.
- In the event that you test positive for COVID-19 or are a designated close contact, please follow the instructions given by the tour conductor, land operators, medical institutions and Public Health Center in Japan.
- Failure to comply with the above may result in you not being allowed to participate in or continue on the tour. You may also be required to immediately return to your home country during the tour.

After the tour

- If you test positive for COVID-19 within one week of returning home, please inform your travel agent.

Thank you for your understanding and cooperation, and we look forward to welcoming you to Japan.
