

!! Caution !! Notes on Entering Qualification, Type, and Grade Codes

- Incomplete reservation details may invalidate your application and results.
Please check the subject code table on this page carefully.
 - ✓ Please make sure that the qualification code, type code, and grade code to be entered are correct as shown below. For the grade, please enter the grade of the aircraft to be used for the practical test.
 - ✓ Please see below for the combinations of each qualification and selectable type/grade (only those of the same color can be selected).
 - ✓ The information entered must match the qualification, type, and grade stated in the application to the authorities (Form 19).

Qualification		Type		Grade		Type
Code	Name	Code	Name	Code	Name	
A1	ATPL	A	Airplane	LSP	Single- Engine Piston (Land)	Airplane • Rotorcraft • Ariship
A3	CPL	H	Rotorcraft	LST	Single- Engine Turbine (Land)	
A4	PPL	G	Glider	LMP	Multi-Engine Piston (Land)	
A5	MPL	S	Airship	LMT	Multi-Engine Turbine (Land)	
T1	First class aircraft maintenance technician			SSP	Single-Engine Piston (Sea)	
T2	Second class aircraft maintenance technician			SST	Single-Engine Turbine (Sea)	Glider
L1	First class aircraft line maintenance technician			SMP	Multi-Engine Piston (Sea)	
L2	Second class aircraft line maintenance technician			SMT	Multi-Engine Turbine (Sea)	
				MGO	Motor Glider without Tow Hook	
				MGH	Motor Glider with Tow Hook	
				HCG	Soaring Glider	

Qualification		Type		Grade		Type
Code	Name	Code	Name	Code	Name	
G1	Flight Instructor Certification	A	Airplane	---		
H1	Instrument Flight Certification	H	Rotorcraft			
		G	Glider			
		S	Airship			

Qualification		Type		Grade		Type
Code	Name	Code	Name	Code	Name	
F1	Aircraft overhaul technician	F	Air frame structure	---		
		C	Air frame accessory			
		T	Turbine engine			
		I	Instrument			
		N	Electronic accessory			
		E	Electrical accessory			
		R	Wireless radio			

Qualification		Type		Grade		Type
Code	Name	Code	Name	Code	Name	
C4	Flight radiotelephone operator	---		---		
K1	Aviation English Language Proficiency Certificate					
J1	Flight Dispatcher					

【Caution】 For the grade code, enter the grade* of the aircraft to be used in the practical test.

* If you plan to take multiple grades, please enter only one of them.
