Road Bureau, Planning Division

The 20th Japan-Korea Road Meeting (Report)

--- Both countries will continue to share knowledge
and cooperate with each other in the road sector ---

The Ministry of Land, Infrastructure, Transport and Tourism (MLIT) and the Ministry of Land Infrastructure and Transport (MOLIT) held “the 20th Japan Korea Road Meeting” on August 29th.

In this meeting, we exchanged knowledge concerning “Large-scale repairs and undergrounding of expressways”, “Utilization of new road management technologies”, etc. We also confirmed the continuous exchange of technology between Japan and Korea.

Based on the “Implementation Arrangement of Road Cooperative Conference” signed in 1995, this meeting is held to promote cooperation in the road sector of both countries, improve road policy and promote road development.

A summary of the latest meeting, held on August 29th, 2024, is as follows.
