- 1 Submit Page1 to all the offices you apply or report to. (If you use public moorings, you should submit Page1 when you apply for the public moorings.)
You should submit this form before either of the prior; by noon of the day before arrival or 24 hours before arrival. If the day you submit the form is a holiday, you should submit before noon of the workday before the holiday. (Note; When you enter into specific area and ETA from a foreign port , "arrival" is replaced by "entry into specific area and ETA.")
- 2 Submit page2 only to Japan Coast Guard. You should submit it 24 hours before arrival.
- 3 When you apply to Captain of the Port, you should sign your name in "Name of applicant".
- 4 For a coastal ship, in "communication system" of "Basic information" section, fill in only "call sign".
- 5 For the "Non-tanker-ships", "Record for entering Japanese port within past 1 year" includes the entrance into the specific area within past 1 year.
- 6 Fill in "Port of loading" of "Cargo information" section and "Dangerous goods information" section only when you enter from a foreign port.
- 7 A coastal ship does not need to fill in "Name, port of loading and quantity of landing cargo" of "Other ports in this country" of "Cargo informatio" section.
- 8 Dangerous Goods (DG) [if any]. Please notify us of "DG to be discharged" and "DG not to be discharged" on arrival, and "Loaded DG" on departure, respectively.
As for "DG not to be discharged", please indicate the condition of the place where DG is stored, "OPEN" or "CLOSED", in the column of "Storage Position on Board".
- 9 Dangerous Goods Handling information [if applicable]. It is to be written by the cargo handling agent.
- 10 When you choose "Yes" in "Extended Japanese domestic voyage (Yes, No)", you do not need to fill in "All ports of call in Japan after departure and schedule of entrance" and "Entry position into specific area and ETA after departure" of the "Report on the security information of ship" section.
- 11 In Page2, when ports in Japan are included in the last ten ports of call, you can start the list with the latest port call in Japan.
