

Amulets known as *omamori* and protective talismans known as *ofuda* are available here. There are *omamori* for traffic safety, health, or success in education. Meiji Jingu also offers the *sowa mamori*, a special *omamori* for luck in love, infused with the aroma of camphor trees and inspired by the *Meoto Kusu* husband and wife camphor trees. *Omamori* are usually attached to or put into a bag, purse or pocket, and kept until they have fulfilled their purpose. The amulets should not be opened.
