

Walking Trails of Lake Onneto

You can discover the beauty of Lake Onneto on any of four walking trails. The 2.2-kilometer Lake Onneto Lookout Trail offers lake views and mountain vistas. The 1.9-kilometer Lake Onneto East Bank Trail follows the eastern shore of the lake. Along this path, there is a spot where the orange waters from Nishiki Pond flow into Lake Onneto, merging with the bluish-green water of the lake. The 1.4-kilometer Onneto Yunotaki Falls Trail leads to a hot-spring waterfall, while the 2.4-kilometer Meakan Onsen Trail passes through deep forest.
