

Hida Kanayama Nukumori no Sato Onsen

Nukumori no Sato is a full-service *michinoeki* roadside station in Gero's Kanayama district with indoor and outdoor hot springs, accommodations, a gift shop, and a restaurant.

Visitors staying overnight can choose from Japanese and Western-style accommodations, and may use the hot springs free of charge. Non-staying visitors may also use the hot springs for a fee between 11 a.m. and 8 p.m.

The gift shop sells souvenirs and locally produced foodstuffs such as confections, pickles, and sake from the local Okuhida Sake Brewery. The restaurant serves regional specialties, including Hida beef, sweetfish, and *keichan*, a chicken and cabbage dish.
